Dear Sirs:

This is in answer to your inquiry dated 13 July 1959 addressed to this Agency's Foreign Documents Division regarding the availability of the "Consolidated Translations Survey".

The Office of Technical Services, United States Department of Commerce began publication in January 1959 of a bulletin entitled "Technical Translations" which we believe will meet your requirements.

"Technical Translations" is a bi-monthly listing of translated technical literature available from the OTS, the Library of Congress, the Special Libraries Association, cooperating foreign governments, commercial translators and publishers, universities and other sources.

The annual subscription rate for the OTS publication is \$16.00 which includes a fee of \$4.00 to cover foreign postage.

Sincerely yours,

Paul A. Boral
